Dear Resort Enthusiasts,

An exciting start to the new year with plenty of enquiry from both first time managers as well as seasoned operators. This is a special edition of our newsletter as we welcome our buyers from Dubai and the United Emirates.

Buyer enquiry has increased due to the availability of quality property on the market. Strong demand for development sites, waterfront property and premium Management Rights complexes to name a few. If you have been considering your purchase options now is a good time to capitalise on these opportunities.
